

Request for Proposals: Supply, Implementation and Support of an RFID or Equivalent Technology-Enabled Asset Tracking and Control System

Micro Finance Zambia Limited (MFZ), part of Atlas Mara | RFP Reference: MFZ/RFP/2026/002
| Zambia

Key Dates

Milestone	Date
Issue Date	18 September 2026
Clarification Deadline	23 September 2026
Submission Deadline	30 September 2026, 17:00 CAT

Background

Micro Finance Zambia Limited (MFZ) invites proposals from suitably qualified and experienced vendors for the supply, implementation and support of an RFID or equivalent technology-enabled asset tracking and control system. The solution will enable MFZ to improve asset identification, tracking, movement control, physical verification, reporting and accountability across its Head Office, branches and other locations.

Requirements

Interested bidders should have relevant experience and provide evidence of at least two comparable implementations.

Submission

Interested firms/institutions should email their bids to admin@mfz.co.zm. For more details relating to this proposal, kindly visit www.mfz.co.zm.
