

REQUEST FOR EXPRESSIONS OF INTEREST

REFERENCE NO: LZRP0026LIVHP

ISSUED BY: Legacy Forests Limited on behalf of the communities of Chilimba, Ndubulula, Namanongo, and Mwashang'ombe of Bunda Bunda Chiefdom.

PROJECT OVERVIEW

The projects are being implemented under the Lower Zambezi REDD+ Project and are aimed at improving access to safe and reliable drinking water within targeted communities, while also strengthening community support systems and operational capacity. The supply of a motor vehicle under this initiative is intended to enhance mobility, improve transportation efficiency, and facilitate effective movement and coordination within project communities.

SCOPE OF WORKS

Interested firms may express their interest in being shortlisted for one or both of the following Lots based on their specialization and capacity:

LOT 1: Supply of a Mitsubishi Rosa Bus: Supply of one (1) roadworthy Mitsubishi Rosa, at least 22-seater bus (Model Year: 2009/2010, Manual Transmission, Diesel Engine).

LOT 2: Comprehensive Borehole Development: Siting, drilling, water testing, development, and equipping of ten (10) boreholes distributed across the Mwashang'ombe, Chilimba, and Namanongo Zones. *Note: The eventual tender for Lot 2 will be executed under a Wet Contract arrangement, meaning the contractor assumes full drilling risk and only successful boreholes yielding safe drinking water will qualify for payment.*

ELIGIBILITY AND EOI SUBMISSION REQUIREMENTS

To be considered for shortlisting and the subsequent Tender stages, interested contractors must demonstrate their technical capability, financial capacity, and relevant experience.

Expressions of Interest must include the following mandatory documents:
