

Request for Proposals # RFP 3309

In-Country Distribution of Health Commodities – Hub-origin

Chemonics International Inc., under the U.S. Department of State's Global Health Supply Chain – Procurement and Supply Management (GHSC-PSM) Project (Prime Contract No. AID-OAA-I-15-00004-AID-OAA-TO-15-00007/AID-OAA-TO-15-00009), invites qualified offerors to submit proposals for transportation services of health commodities within Zambia.

The RFP outlines all relevant details and can be requested by emailing SPDprocurement@ghsc-psm.org between 08:00 and 17:00 on weekdays (excluding U.S. and Zambian public holidays).

The scope includes distribution of Ministry of Health commodities from the Zambia Medicines and Medical Supplies Agency (ZAMMSA) in the regional hubs (Mongu, Mansa and Mpika) to district health offices, and health facilities in each zone.

Questions may be submitted via email to SPDprocurement@ghsc-psm.org by the deadline below. Responses will be shared with all interested parties. Key dates are as follows:
