

TENDER NOTICE

Issued on 2nd February 2026

SUPPLY AND DELIVERY OF THREE (3) SUV ELECTRIC VEHICLES

1. In its 2026 annual budget, the Industrial Development Corporation (IDC) has made a provision for the procurement of three (3) SUV electric vehicles.
2. Bidding shall be conducted using the Limited Bidding procedures specified in the Public Procurement Act of 2020 (as amended by the Public Procurement (Amendment) Act of 2023) and the Public Procurement Regulations of 2022. IDC is using Limited Bidding on grounds of a limited number of local suppliers. The proposed shortlist of bidders comprises –
 - a) Pilatus Engineering Company; and
 - b) Southern Cross Motors.
3. Any potential bidder requiring information on this procurement requirement or wishing to participate in the procurement, may contact the office of the Head of Procurement at the address below. To be included in the shortlist, a bidder must have the following:
 - a) dealership agreement with the manufacturer of the electric vehicles; and
 - b) service centres in Zambia for electric vehicles.
4. Applications to be considered for inclusion on the shortlist should be sent to patrick.chanda@idc.co.zm on or before **16th February 2026 at 10:00 hours**. Applications received later than the date and time stated shall not be considered.
