INVITATION TO BID

DESIGN, SUPPLY, INSTALLATION AND COMMISSIONING OF HYBRID SOLAR PV SYSTEMS WITH BATTERY STORAGE FOR WHO COUNTRY OFFICE – ZAMBIA

REF: RFP - WHO/AF/ZM/26/LTA002

The World Health Organization (WHO) Country Office in Zambia is committed to enhancing operational sustainability, energy resilience, and environmental responsibility across its facilities. To reduce dependency on grid electricity and ensure uninterrupted power supply, WHO Zambia intends to engage a qualified and experienced renewable energy service provider to design, supply, install, test, and commission hybrid solar photovoltaic (PV) systems with integrated lithium battery storage for seven (7) flats located in Jesmondine, Lusaka.

WHO Zambia invites bids from experienced and duly registered renewable energy or electrical contractors/firms with demonstrated capacity to deliver hybrid solar PV systems.

Only duly registered service providers are eligible to respond to this RFP.

Interested bidders should send an email to: afwcozmprocurement@who.int requesting the solicitation documents. Please note that the tender documents are **NOT FOR SALE**.

The **closing date** for submission is **30th March 2026**.

All requests for clarification concerning this tender should be addressed to:

afwcozmprocurement@who.int
