TENDER FOR PROVISION OF FUEL MARKING AND QUALITY MONITORING SERVICES FOR THE ENERGY REGULATION BOARD (ERB) OF ZAMBIA

TENDER NO.: ERB/FM/OIS/003/2026

The ERB is an autonomous statutory body established under the Energy Regulation Act No. 12 of 2019. The ERB provides regulatory oversight in the energy sector in Zambia through the mandate to regulate the provision of energy products and services.

In order to effectively carry out the provisions of the Act, the ERB develops regulations for the provision of standards regarding the quality, safety and reliability of supply of energy products and services. With regard to the provision of quality petroleum products to consumers, the Energy Regulation (Petroleum Marking and Monitoring) Regulations of 2017 were promulgated. These regulations apply to fuel marking, quality control and related activities.

The ERB has reserved funds in its 2026 Budget for the Procurement of Fuel Marking and Quality Monitoring Services. The tendering process is being conducted using Open International Selection Procedures (OIS) and is open to citizens, local and foreign bidders in accordance with the provisions of the Public Procurement Act No. 8 of 2020 and the Public Procurement Regulations of 2022

Interested Consultants may view details of the Expression of Interest downloadable from the ERB website at www.erb.org.zm
