may be accessed on the Lusaka to Mongu road (M9) via Mongu to other main Town Centers in the Zambia. Mongu is the capital city of Western Province in Zambia where both Kalabo and Sikongo are also located. The road traverses productive agricultural areas and is essential for the local transportation of farm inputs and outputs. The area also has great potential in the livestock industry. Improved transportation along the project road will also lead to benefits in the areas of tourism, education, health services provision and other local socio-economic activities which whilst difficult to quantify are clearly linked to the cost and ease of access to the area.

4. It is expected that the Bidding Documents will be issued in October, 2026.
5. Prequalification will be conducted in accordance with BADEA guidelines for *"Principles for Procurement of Goods, Works, and Services"* and is limited to Arab, African or Arab-African joint venture firms, only.
6. Interested eligible Applicants may obtain further information from the Road Development Agency at the address below during office hours (0800 to 1700 hours). A complete set of prequalification documents in (English) may be obtained by interested Applicants, free of charge, on the submission of a written application to the address below.
